## COACH TAB OPTIONS-Players/Team

## Team Roster

Available options for a Coach to manage team info and updates

The screenshot shows the 'COACH' menu with the following options: PLAYERS / TEAM, INFO TEAM, STAT SHEET, PRACTICE, PRACTICE SHEETS, FMS, E-mail, PASSWORD, DISCIPLINARY REPORT, and PLAYERS VAULTING. A yellow callout bubble explains that clicking on the COACH menu item and then the PLAYERS/TEAM option allows the coach to access the screen and proceed to complete the fields and enter the required info for each player. Another yellow callout bubble lists available options: 'Team Members' to view color information, 'Modify Team members' to enter all information for a team member, 'Email' to enter the email for each player (used for communications), and 'Suspensions' to view suspension status for each team.

## Team Member-update

As required, the coach is able to update the position played for each player as well as the jersey number

The screenshot shows the 'Modify Team members' option selected. A yellow callout bubble explains that info is available for each team member that may be changed from game to game. A red arrow points to the 'Type' column in the player list, and another red arrow points to a dropdown menu for 'Position played' with options: Outfielder, Defender, Midfielder, and Forward.
