### PRESIDENT'S MESSAGE

As the season draws to a close, the CSL Executive would like to thank all the clubs for their cooperation during the 2018 season. We hope that the league has met your expectations in providing a competitive platform for your teams to play in.

I would personally like to thank the rest of the CSL Executive Committee for their hard work and dedication throughout the year.

At the midway point of the season the CSL put out a survey asking for suggestions for improvement. Later in this newsletter you will see some of the ideas that you brought forward which will be voted on at the AGM in November.

One of the positives for this season is the reduction in the number of discipline cases. Congratulations to the coaches and players.

The CSL takes pride in the transparency and quick response to our members. Special thanks to our administrator, Chris Humphries, who does a great job in this area.

We wish you all the best in your remaining games and Cup Competition.

Yours in Soccer,  
Rob Gillies, CSL President

---

## RESCHEDULING OF GAMES

The CSL continues to receive large numbers of rescheduling requests. It is the policy of the CSL that requests will not be entertained except in the most unusual circumstances and those listed in the CSL Rights and Responsibilities.

Rescheduling creates huge problems that members may not be aware of. In many instances the opposing team does not want the game changed as it may inconvenience them. They may be travelling or have players away at another time. Reschedules also can result in a team having a large number of games in a short period of time which makes them very unhappy.

We have enough games to move around due to weather without adding more due to team requests.

Please use your block off times wisely at the beginning of the year in order to eliminate problems.

---

## CAROLYN JONES SCHOLARSHIP

This year the CSL awarded a \$2000 scholarship to a deserving male and female player. The two winners were Zain Kanani from North Scarborough SC and Abby Green from Cherry Beach SC.

If you are involved with a U18 team in 2019, please encourage your players to apply if

they will be attending a Canadian College or University.

Carolyn Jones was a longtime member of the CGSL Board and a referee in York Region.

---

## CHANGES TO CSL RIGHTS AND RESPONSIBILITIES TO BE VOTED ON AT AGM

The CSL has heard concerns over the number of games being scheduled in total. Therefore the Cup will be optional for all teams in all divisions.

Callups will be allowed in Cup Games starting in 2019. The callup rule will be the same as regular league games.

Piggybacking will be permitted for substitutions on throwins.

If feasible, we are looking at blocking off time for exams if the time period is the same for all school boards.

All of the above rule changes have been suggested by members of the CSL and will be voted on at the AGM.

---

## **TOURNAMENT OF CHAMPIONS**

The Tournament of League Champions will be held on October 5-7 at the University of Guelph.

The tournament will feature the league champions from the CSL, ERSL, WOYSL and Golden Horseshoe.

If your team is in contention to win the league, please let your parents know that your team will be playing if you are the champions. Please note games will begin on Friday of that weekend.

The quality of soccer is always outstanding. It is an honour to represent the CSL at this event.

---

## **CENTRAL SOCCER LEAGUE APP**

Please send us feedback on the CSL App so we can send to our software provider for possible improvements.

---

## **U13 STANDARDS BASED LEAGUE PILOT PROJECT**

The CSL is very excited to operate a U13 division in conjunction with Ontario Soccer for the 2019 Season.

Applications have been sent out to over 30 clubs that have expressed interest in this league. Applications are due to the CSL by September 30. The clubs that have been selected will be notified by the end of October.

On October 13 and 14, a mandatory festival will be held so clubs can see how their teams do against teams from other districts. At this point they will be able to decide if they wish to continue in the Pilot Project.

Standards Based Leagues are the wave of the future. Teams and Clubs will have to meet certain criteria to enter this league. Coaching requirements will be the most important. Players will benefit greatly when they are coached by trained and certified adults.

---

## **League Contact Info**
